**NOTES FROM A PUBLIC WORKS COMMITTEE MEETING HELD TUESDAY,  
SEPTEMBER 28, 2010 – 5:30 P.M. – ROCKVILLE CITY HALL**

The meeting was called to order by Acting Chair Randy Volkmuth. The following members were found to be present: Council Members, Bill Becker, Randy Volkmuth & Duane Willenbring. Absent: John Koerber. Mayor Hagen arrived at 5:35 p.m.

Staff Members present were: Rena Weber Administrator/Clerk & Rick Hansen-Public Works Director.

Others present: Council member Jerry Schmitt, Ralph Walz, Eric & Amy Spielman, & Gary Lembeck.

**SEWER ISSUES:** Rena Weber reported that on 9/12/10 Eric and Amy Spielman – 8617 White Oak Road experienced a sewer backup into their basement. The breaker switch tripped out and then the red light/alarm did not go on. Ralph Walz responded to the call – replaced the pump, flipped the breaker switch a couple of times and then was done.

On 9/14/10 Gary & Laura Lembeck – 8504 White Oak Road also experienced a sewer backup into their basement. Same thing with the breaker switch. Ralph Walz responded and took care of the problem right away.

Showed copies of the site area – refer to sanitary sewer map showing the V in the line.

On Friday, 9/24/10 Rena learned that the insurance company wanted to turn the claim over to Crane Pump – manufacturer of the pump and control box and not pay the claimants. The City previously settled a claim with Crane Pumps to replace all of the pumps in November of 2008. This claim took a very long time to settle.

Each of these two claims is estimated to be around \$10,000. Rena did not want these people to have to wait to get their claims paid so she called Brian Pulczinski – senior adjuster at the League. I told him that I felt the council would not be agreeable to just turning this over to Crane Pumps.

Just this afternoon I again talked to Brian Pulczinski who indicated the LMCIT will now pay the claims, but will not go after Crane Pumps. This is something the City Attorney would need to do.

**RESOLUTION** – Ralph Walz, contractor, informed the council that he has the answer to fix this and it has now been approved by the state electrical inspector, Daryl Nemeth. Ralph Walz estimates the cost to be \$110.00 x 364 = \$40,040.00.

Member Willenbring suggested the city go back to Crane Pump as there is clearly a design issue & further draft a scope of work for at least two contractors to bid.

Member Schmitt questioned the installation of a led light as an option.

***Motion by Member Willenbring, second by Member Volkmuth, to recommend the city council authorize preparation of a scope of work in order to get bids with the upgrade of LED light as an option. Motion carried unanimously.***

Member Volkmuth suggested that a letter be sent to residents explaining that there is a design flaw and it needs to be corrected.

Amy Spielman asked if she could obtain a letter from the city stating that this was done and therefore people purchasing their house in the future would be okay with it. Rena Weber explained that the city can't send out a letter stating this will never happen again. There may be a different circumstance.

***Motion by Member Volkmuth, second by Member Willenbring, to authorize the Administrator/Clerk to work with the City Attorney in seeking retribution from Crane Pumps. Motion carried unanimously.***

***ADJOURNMENT – Motion by Member Volkmuth, second by Member Becker, to adjourn the meeting at 5:57 p.m. Motion carried.***

Submitted by Rena Weber  
Administrator/Clerk

**PLANNING COMMISSION MEMBER/STAFF REPORT:**

Chair Honer explained that she would like to move forward regarding the AG-10. Are there any Planning Commission members that would like to be on this Task Force? You would be volunteering. The Task Force committee would be Dale Borgmann, Jerry Bechtold, Toni Honer, Jerry Tippelt, Jeff Howe, Chuck Johannes, Jeff Hagen, Don Simon and Duane Willenbring. The meeting is scheduled for Tuesday October 26, 2010 @ 6:30 p.m.

Zoning Administrator Rena Weber reported that after you meet with Raymond & Ruth Brown, she noticed in the paper that their house is being fore-closed on. Chair Honer and I talked about what the meant and decided to still send the letter to the Brown's giving them one year to clean it up.

Chair Honer explained that after our last Planning Commission meeting a few the off the members did do a site visit. We had a discussion with Ms. Brown and she totally understood. A couple weeks later there's now a large horse trailer in front of the garage. I connected the Zoning Administrator Rena Weber to discuss this issue.

Liaison Duane Willenbring stated how we are going to do parity across the city.

**BUSINESS FOR NEXT MEETING:**

**ADJOURNMENT – Motion by Member Borgmann, second by Member Tippelt, to adjourn the meeting at 6:50 p.m. Motion carried unanimously.**
