

Addition to the agenda
05/18/11

1. Don Simon – on behalf of the Fire Department would like approval to obtain one more DNR grass rig from the city of Freeport – cost is nothing, but there is a cost of \$1000 for the pump that Freeport attached to the truck.

2. Peggy Hall – CR 8 – would like consideration in a reduction of her building permit in light of the fact that she never built the last time.
