Now Accepting Direct Payments

We are pleased to offer you a new service. The City of Rockville is now implementing the Direct Payment Plan. Now you can have your payment deducted automatically from your checking or savings account. And, you won't have to change your present banking relationship to take advantage of this service.

The Direct Payment Plan will help you in several ways:

- It saves time – fewer checks to write
- Helps meet your commitment in a convenient and timely manner – even if you're on vacation or out of town
- No lost or misplaced statements, your payment is always on time—it helps maintain good credit
- It saves postage
- It's easy to sign up for, easy to cancel
- No late charges

Here's how the Direct Payment Plan works:

You authorize regularly scheduled payments to be made from your checking or savings account. Then, just sit back and relax. Your payments will be made automatically on the date the bill is due. And, proof of payment will appear on your statement. The authority you give to charge your account will remain in effect until you notify us in writing at least twenty days prior to your next scheduled electronic debit. If you have questions or concerns about your bill, contact the City within 7 days of receiving your bill. The Direct Payment Plan is dependable, flexible, convenient and easy. To take advantage of this service, complete a direct payment application form and return it to us.

All you need to do is fill out the form and send it to the City of Rockville.
