EXHIBIT A

2013 Year in review from your Rockville Park and Recreation Board.

The winter of 2013 was great for making ice; our rink at Community Park was iced most of the season and heavily used. I would like to thank the City Employee's and volunteers that braved the cold and iced the rink. We had our first annual Winter Fun Fest last year with snow sculptors, bonfire and of course skating. Our 2nd annual Winter Fun Fest will be Saturday February 22nd from 1:00 to 3:00. This summer we were able to put sand in the hockey rink; this will allow us to use it during the summer as a volleyball court. This was at no cost to the city.

In spring we again had our annual Easter Egg Hunt, the weather was a little cool but we still had over 200 participants. We also collected about 200 pounds of food for the Cold Spring Area Food Shelf. This year's Easter Egg Hunt will be Saturday April 19th at 10:00 am at Lions Park.

Again lots of Activity at Eagles Park this past year, we added a dock to assist canoeist in and out of the river. We continued to adding more native plants. We added signage both in and out of the park, Dozens and dozens of educational tours for school field trips and civic groups were conducted and thousands of volunteer hours were spent on keeping up the Park. A reminder that the majority of this park has come from donations and grants as well as volunteering. A big thanks to John and Linda Peck as well as the entire Nature Parks and Trails group for implementing these projects.

The Summer Ball Program was again a great success with over 110 youths participating in Softball, Baseball and T-ball teams. Unfortunately we lost the Thursday Night Men's softball league, as we could not attract enough teams, but we still had teams in the men's over 35 league. Weather cooperated for the most part this year with very few rain outs. A big thanks to Bryon for putting so much into the Summer Youth Ball Program.

Signup for the 2014 season will be Saturday March 29th from 10:00 to 11:00.

During Rockfest we again sponsored the Tractor Peddle Pull with almost 70 youths participating.

We also completed the Rain Gardens at Lions Park, all at no cost to the City; we resurfaced the parking lot with crushed granite, a big thanks to Paul Wirth for spear heading these projects. Paul also coordinated with FEMA to get funds to clean up downed trees from our major summer storm.

In December we had our annual Rockville Santa Day, we again had it at the Rockville Fire Hall. We had over 135 participants, fun was had by all. We collected over 200 pounds of food for the Cold Spring Area Food Shelf along with 22 dollars in cash. A big thanks to the Rockville Volunteer Fire Fighters for letting us use the hall and for answering questions on all the equipment and Mike Hoffman for setting his electricity safety demonstration.

We lost a long time community leader from the Park and Rec. Board this year, John Koerber moved from the City and can no longer attend meetings. We would like to remind everyone that the Park and Rec. board is a completely volunteer committee. In the last year we have volunteered almost 400 hours of our time for events and projects that enhance the city. We also obtained several thousand dollars in grants for projects to enhance our Cities Parks. I would personally like to thank everyone on the Park and Rec Board for their dedication to making Rockville a better place to live.

2014 is going to be another big year for community events and projects. If you want to find a great way to get involved with and support your community, contact anyone on the Park and Rec. Board to see about joining. As always our meetings are the first Thursday of the Month at 7:00pm at City Hall.

In conclusion, I would like to thank the council for their support and ask to contact myself or anyone on the Park and Rec. board with any ideas or suggestions for Park and Rec.
