

Rockville Park & Recreation Board

Minutes of March 13, 2014 meeting

Meeting called to order at 7:04pm

Present: Scott, Paul, Lori & Roger (the new maintenance person)

1. February meeting minutes were approved with a motion by Scott and a second by Paul.
2. We welcomed Roger to the Park Board, introduced ourselves, and explained a little of what we do, and his role with the Park Board.
3. Bryan D. was present to discuss the Summer Ball Program. We looked over the revised registration form, with the increased fees. It will be posted on the internet, in the newsletter, and given out at school. Sign-up is Sat. March 29th from 10-11:00. Scott, Lori and Bryan will be there. The best pitching machine Bryan found is around \$750.00 and does BB and SB. We may get a better price. We will check to see if we have all the financing needed before ordering. He found a new supplier for new hats. We may move some kids up from pitch ball into minor BB to get them more ready for the next year. Three of last years coaches said they would coach again, and some Rocori kids might help. We will wait and see if Bryan, again, will ready the fields for games, or if the city will do it. We may add an outside faucet on the concession stand, with a turn off inside so it cannot be turned on when there are not games going on. The scoreboard is not working. The website link costs Bryan about \$5.00 mo. which should be changed to being charged to the city. He will bring the billing information to the next meeting.
4. The winter Fun Fest day that was scheduled in Feb. was cancelled due to the facilities not being in good shape and bad weather.
5. Our annual Easter Egg Hunt is scheduled for Sat. April 19 at 10:00. Scott & Lori will chair this event. We will discuss this more at our next meeting.
6. We looked at some exercise equipment in a catalog. We are looking for a couple of pieces that could be installed along the walking path in Lions Park. We haven't found exactly what we want yet. We'll keep looking.
7. There have been some snowmobiles riding in Lions Park. It is posted "No Motorized Vehicles". There was some additional signage put up.
8. A motion to adjourn was made by Paul, with a second by Lori.

Meeting adjourned at 8:40

Next meeting is Thurs. April 3rd at 7:00
