

**RESOLUTION NO. 2013-04
APPROVING MASTER PARTNERSHIP CONTRACT
WITH MNDOT**

Whereas, The Minnesota Department of Transportation wishes to cooperate closely with local units of government to coordinate the delivery of transportation services and maximize the efficient delivery of such services at all levels of government; and

Whereas, MnDOT and local governments are authorized by Minnesota Statutes sections 471.59, 174.02, and 161.20, to undertake collaborative efforts for the design, construction, maintenance and operation of state and local roads; and

Whereas: the parties wish to be able to respond quickly and efficiently to such opportunities for collaboration, and have determined that having the ability to write "work orders" against a master contract would provide the greatest speed and flexibility in responding to identified needs.

Therefore, be it resolved:

1. That the City of Rockville enter into a Master Partnership Contract with the Minnesota Department of Transportation, a copy of which was before the Council.
2. That the proper City of Rockville officers are authorized to execute such contract, and any amendments thereto.
3. That the City of Rockville Public Works Director is authorized to negotiate work order contracts pursuant to the Master Contract, which work order contracts may provide for payment to or from MnDOT, and that the City of Rockville Public Work Director may execute such work order contracts on behalf of the City of Rockville without further approval by this Council.

Approved this 20th day of February, 2013.
