**Re: 2015 Legal Representation and Rates
Our File No. 16642-0001**

Dear Mayor and City Council:

Once again, we want to thank you for allowing us the opportunity to serve you. As we look to a new year, we continue to enjoy representing our municipal clients, like the City of Rockville, and assisting you in providing quality service to your constituents.

As you know, our firm remains a leader in providing municipal services to Central Minnesota communities, and the services that we provide to city clients continue to grow. Our structure allows us to focus our practice, and provide to you an entire department of attorneys with special expertise representing local governments, and even more specialized expertise in specific areas of municipal law, including labor and employment, wetlands and drainage, land use, economic development, eminent domain, annexations, litigation and appeals. This diversity gives each of our governmental clients the strength of an army of legal professionals.

As we look forward to serving you, I have attached our municipal rates for 2015. For our governmental clients, we offer rates which are significantly lower than our firm charges non-governmental clients. Depending on the attorney, the discount is \$45.00 to \$136.00 per hour less than our ordinary private client rates. Our paralegal rate is also discounted by \$20.00 per hour. These rates will be applied to work beginning January 1st. We understand the financial realities of government and we remain vigilant to keep the total costs of services in line with your expectations. Of course, as you are well aware, rates represent only part of the story. Our firm does not charge for the garden variety reimbursements such as postage, copies, secretary typing time, etc.

Our success and growth has been built on strong client relationships, and our focus on the total cost to our clients has been at the very foundation of those relationships.

Thank you, again, for your business and confidence, and we look forward to serving you another year.

Sincerely,

Adam A. Ripple
