Date

Continuing Education continued:

Leadership history continued: I Manage 26 employees which includes four managers, fourteen service technicians and eight parts professionals. I Manage expense control, store growth, financial projections and any HR issues. I Manage the hiring process and any disciplinary action, write ups or performance reviews. I over see all daily store operations to ensure proper flow.

Reasons for applying Continued: future. I want to re store camaraderie and unify the team to better support the Rockville community and other local communities. I've been a longterm resident of Rockville and I feel it's important to give back to the community.

Other comments: I've been active in other committees with in the department such as relief association, grant writing, truck committee and Maintenance committee.

Thank you for reviewing my application. I look forward to discussing in person.
